

Drive to Beale's Cut Stagecoach Pass then picnic at William S. Hart Park

Sunday, June 7th, 2026 **9am** with a 9:30am departure. (Activity expected to be completed by 3pm).

Corsa West of Los Angeles will lead a caravan from Bank of America (back parking lot) at Sepulveda Bl. and Devonshire St. in Mission Hills to Beale's Cut (15 miles north). Beale's Cut Pass is a 90 ft. drop excavated in the 1850's which provided a route between the San Gabriel Mtns. and the Santa Susana Mtn. ranges. We'll park and hike about ½ mile to view what's left of the pass. We'll then travel north on Sierra Hwy. to visit "**The Oak of the Golden Dream**" on Placerita Canyon Road for more hiking. Bring your lunch or stop at Carl's Jr. on the way to William S. Hart Park in Newhall, CA. for a picnic. Afterwards, we can walk around to see old buildings, live animals & even bison on the property.
