Chapter 914 CORSA | Corvair Society of America

First (and Last) Annual Photo Contest

Corsa West Los Angeles, after many years, is in the process of designing a new club business card. We have come up with three possible pictures for the front side. We would like your opinion of which one you feel would be the most appropriate and attractive. Please indicate your preference:

OR

Perhaps, maybe, just maybe, you possess a picture you think might be better than the above. We would be happy to consider what, in your judgement, would look good and forthcoming on the card to attract a Corvair owner to become a member of CWLA. Please go through your picture files and select a really good photo. Remember all the shows you have attended: Fan Belt Toss, Funcours, Poppy Run, Ageless to Anarchy, Bob's Big Boy, Beach Bash, ...etc. Plus photos you have taken on trips. Your car(s) should be included if you have a nice photo. If possible see if you have pictures showing two or more types of Corvairs so that our card will show that we support every type of Corvair out there. Send one to three pictures via email as an attachment to redwillen@charter.net. We only do this once in a very great while. So, whichever picture is chosen will be handed out for many years. The decision will be made by the entire Eboard plus input from those who wish to attend a meeting of those pictures considered (date to be announced). We would like to be able to hand the cards out at the Toss. Therefore, the final date for submission would be June 30.

What's in it for you?

We are in possession of a handmade custom silver key chain (the real stuff) made and donated by Vick Fronjian. That and the prestige of your picture (and possibly car) representing CWLA for the foreseeable future.
